WHAT EACH BOARD IS FOR

YAHOO

Did they beat the room they drafted in? Grades are Yahoo's official letters — process, not ADP math.

GROK

Did they beat Grok's full board? Early K/DST count. ASG falls last on Eagles / Myers.

XRANK

Did they beat the expert skill board? K/DST stay off the letter. Closest to the old Grok skill grade.

VERDICT

WHAT TO BELIEVE

SHORT VERSION

Yahoo is one toggle: ADP for every pick (same as the ADP Analysis chart) and official Y!App letter grades / power. Grok grades all 15 picks — Eagles 7.06, Myers 8.05, and off-board Patriots / Jaguars / Santos pull the letter. Xrank still grades skill only. Use Yahoo for process, Grok for the full board, Xrank for skill.
