

# HOW WE GRADE

Three scorecards. Same 150 picks. One page.

THE RULE

**Yahoo grades process. Grok grades every pick. Xrank grades skill only.**

Early K/DST count against Grok. They stay off the Xrank letter.

THE THREE BOARDS

GROK

Full roster

Grok rank vs pick. Letter and power from all 15 picks, including K and DST.

XRANK

Skill board

Expert consensus vs pick. Letter and power from QB / RB / WR / TE only.

YAHOO

Official recap

Y!App letter + projected points. Early K/DST and late QB still ding you.

Tristan, Colin, and Jerger still split Yahoo vs Xrank. Off-board K/DST now count on Grok. ASG is last there. Pablo is last on Xrank and Yahoo.

Value = board rank - pick. Negative = fell. Positive = reached. 9feamg.grok.me/draft/grading
